

EXAMPLE NETWORKS

Industrial Networking Solutions · Industrial-grade product documentation

PRODUCT CATALOGUE 2026

Complete Product Line-up

PRODUCT CATEGORY · CATALOGUE

This catalogue summarises the complete Example Networks portfolio of industrial and enterprise networking equipment, from DIN-rail switches and PoE infrastructure to fibre media converters and optical transceivers. Detailed technical documentation is available for every series in the Download Center.

Industrial Switches

- Unmanaged DIN-rail Switches Series
- Managed DIN-rail Switches Series
- PoE Industrial Switches Series
- Industrial Bypass Switches

Commercial Switches

- Unmanaged Commercial Switches
- Smart PoE Switches Series
- L2 Managed Switches Series
- L3 Managed Switches Series

Fiber Media Converters

- 10/100 Media Converter Series
- Gigabit Media Converter Series
- 10G Media Converter Series
- Media Converter Chassis

SFP Modules

- SFP 1.25G Transceivers
- SFP+ 10G Transceivers
- Industrial SFP Modules

Others

- Wireless Devices
- PoE Repeaters
- Power Adapters

Selection Assistance

Our application engineers support network design from requirements capture through to commissioning. For a tailored bill of materials, contact datasheets@example.com · +86-10-5555-0100.
